

Available colours and materials for chair/couches, practitioner chairs/stools, and cabinets

Upholstery colours in fine premium synthetic leather

The cushioning for all our chair/couches and practitioner chairs/stools, is available in a choice of seven different colours, in high-quality fine premium synthetic leather. These cushions are not only exceptionally comfortable, but also extremely hard-wearing and can be easily cleaned with all commercially available disinfectants.

natural (1)
Natural synthetic leather in neutral tones for a warm atmosphere.

sage (2)
Mild sage green synthetic leather for peace and relaxation.

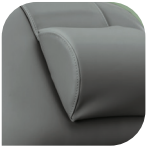

taupe (3)
Stylish taupe synthetic leather - neutral and sophisticated.

nutmeg (4)
Spicy nutmeg brown for both warmth and cosiness.

espresso (5)
Warm espresso brown gives your area a touch of luxury and an inviting depth.

stone (6)
Stone grey synthetic leather for modern elegance.

ocean (7)
Gives your area a maritime blue touch and invites you to relax.

Replace your upholstery every 3-5 years with RUCK's durable and stylish replacement upholstery, available in the latest colours and most advanced materials.

Is your upholstery looking tired? Refresh your treatment chair/couch with our replacement cushions!

We offer replacement upholstery for all previous RUCK chair/couch models. This allows you to customise the look of your existing furnishings without needing a full replacement. If you have any questions, please do not hesitate to contact us.

Upholstery colours in fine standard synthetic leather

Four practitioner chairs and stools also come in a further two colours but in a less hard-wearing material: the fine standard synthetic leather. This option allows you to closely match existing colours in your clinic room.

white (8)

White visually enlarges the area and creates a light and airy atmosphere.

mocha (9)

Mocha adds warmth and timeless elegance to your area.

CPL wood trims for chair/couches, practitioner chairs/stools, and cabinets

For all chair/couches and practitioner chairs with moulded wood elements, along with all ROOM cabinets/trolleys (except classic), we offer you the choice between three different trims: CPL white, CPL walnut and CPL oak. This diverse selection allows you to customise the design and aesthetics of your furnishings. It is worth noting that the combination of wood and synthetic leather is becoming increasingly popular in the medical industry. In addition to the three CPL trims, a unique CPL concrete trim is also available for all ROOM cabinets/trolleys and the ROOM desk reception counter. This modern and trendy surface gives your furniture a contemporary look and a special touch that will set your furnishings apart.

CPL white

A timeless design option that can be seamlessly integrated.

CPL walnut

A luxurious and refined wood grain that brings warmth and style to the area.

CPL oak

An authentic wood texture that brings the beauty of nature into the practice.

CPL concrete

A contemporary look that epitomises urban chic and minimalism.
